## Fall 2025 Edition

### Christmas Party

Our Division Christmas Party will be held on December 7, 2025 at Papa Passero's in Westmont. The menu is being finalized, but expect pizza and other Italian favorites.

Please contact me at 312-403-0831 or [hudson5450@outlook.com](mailto:hudson5450@outlook.com) by **November 21, 2025**. Papa needs an accurate count for the restaurant. Last minute walk-ins will not be accepted for this event.

### NMRA Midwest Region Annual Meeting (ZOOM)

Midwest Region will hold its annual Membership Meeting on Wednesday November 13, 2025 at 6:30 pm. This meeting is open to all Region members. The link for the Zoom meeting is below.

<https://us02web.zoom.us/j/77593752886?pwd=L2NZV1IRSDJVamlOcEVocmxhZlo2dz09>

## Like us on Facebook!

If you are on Facebook, find us at DuPage Division, NMRA. We are looking to grow our presence in this area and use it to promote our annual show. We also have a Division members only closed group as well. Our hobby is not dying, it has just moved to the digital world like many other things.

## **Short Blasts**

Some upcoming model railroading events for your calendar:

**Fri & Sun – Elmhurst Model Railroad Club Open House** - 111 E. 1<sup>st</sup> St. Elmhurst, IL Friday – 7-10pm, Sun – 1-4pm *Come out and support some of our Division members*

**Weds & Fri – Prairie Scale Model Railroaders** - 3 E. Ash St Lombard, IL 7:30-9:30pm *Come out and support some of our Division members*

**Dec 6, 2025 – Will County Model Railroad Association Swap Meet** at Stone City VFW Hall 9am-1pm. Admission \$5. The club layout is open that day also.

## **The “Chicago Limited” 2025 Santa Fe Society Convention by Jim Marciniak**

The Santa Fe Railway Historical & Modeling Society held its 45th annual convention at the Sheraton Lisle-Naperville hotel on June 10 through 15, 2025. About 200 members and Santa Fe enthusiasts came from all across the USA and several countries overseas to attend.

SFRH&MS holds its annual convention in locations around the former AT&SF system, which could be anywhere from Chicago through the Southwest and in California from San Diego to the Bay Area. The Society usually names the convention after a Santa Fe name train, and this year's was dubbed the “Chicago Limited”.

The main convention activities on Friday and Saturday included clinics on a wide variety of historical and modeling subjects, modeler roundtables, and the Saturday evening awards banquet. Convention-goers could also visit home and club layouts in the area, and they generally chose to carpool. It's more fun to go with friends!

Earlier in the week, attendees had the opportunity to enjoy “Extra Fare” field trips in the Chicago area. Destinations included Joliet Tower, Illinois Live Steamers in Homer Glen, Illinois Railway Museum, and Pullman National Historical Park and the historic Pullman community.

The “Chicago Limited” Convention committee consisted mainly of Chicago-area volunteers that included DuPage Division members. They worked with national Society leaders and staff for publicity and registration. They also arranged the “Extra Fare” trips, including lining up transportation and coordinating with staff at the sites. The Pullman trip was

especially successful because of the joint effort of people on site from the National Park Service, Illinois Department of Natural Resources, Historic Pullman Foundation, and the Pullman House Project.

SFRH&MS members look forward to the Convention every year as an opportunity to reconnect with friends and make new ones, meet and learn from their favorite experts and modelers, and see new parts of the Railway. Membership in the historical, technical, and modeling groups for your favorite railroads is a great way to increase your enjoyment of our hobby.

Many societies publish meticulously researched books and periodicals. You can tap into the knowledge of member experts on a wide variety of subjects. You can gain access to historical source material to improve the accuracy of your modeling and operations. Fan trips and railroad site visits are more fun with a well-versed guide and the company of your fellow members.

Membership is great. Becoming actively involved in your chosen society can add another dimension to your enjoyment. You can work with your fellow members to plan conventions, improve and maintain archives, and even help to take care of the behind-the-scenes tasks that are needed to provide a quality society experience for all. It's more fun to enjoy the satisfaction of a task well done with your society teammates!

Many DuPage Division members are active members of historical, technical, and modeling societies. If you would like to know more about the societies that are out there for you to enjoy, ask around at our Division events.
